Dear Kim,

It was a magical evening and we thank you so much for being a part of it!

It is through the friendship of you, our corporate sponsors, individual donors, event attendees and others at a gala evening such as *Giving Voice to the Dream*, that Kay Meek Centre is able to be an inclusive, energetic catalyst for vibrant and diverse performing arts experiences in West Vancouver and on the North Shore. With your support, we continue to succeed in making the best of the performing arts available to the entire community.

Net proceeds from the event will establish the Legacy Fund for Artistic Excellence and Youth Opportunity, a special fund that will enable Kay Meek Centre to continue its remarkable growth, contributing further to the vitality of our lives.

Our community, and in particular our children, will, through the fund, be able to enjoy more impactful programs, richer cultural opportunities and influential learning experiences.

Once again, we are truly grateful for your generous support, especially in difficult economic times.

Kind regards
